### Gifts are good!

Rahul

Mom's birthday is less than a month away! Do you guys know my mom? Oh, she's a lovely person! She always used to surprise me with gifts when I was a child!

Michelle

Veena is my friendly neighbor! She has that friendly smile every time I see her. Guess what, she's becoming a mom soon! There will be plenty of gifts for the bub! What about her?

Vaani

My varsity girl is attending an Indian musical nite later this month. Well, why don't I get her a simple-yet-nice looking salwar so that she could fit into the crowd better?

Ayisha

I am visiting my friend's family soon. There's no occasion – just a casual visit. There's no time to shop around... Can I get some Casual Kurtis for her and her teenage daughter?

### Silk News

In the 2013-14 Indian budget, duty on raw silk has been increased from 5% to 15% to promote the domestic sector. However, this has resulted in substantial price increase of raw silk imported from China in turn impacting finished silk products produced in India.
