Plans for 2015

A sneak preview!

Veda Festive Gowns: Western gowns with an Indian touch are the in-thing these days. Vasthraa Silk will introduce **Veda Festive Gowns**, a gorgeous collection of 'I-want-this-now' outfits in late Dec 2014 / early Jan 2015. Hang on!

Mix n Match: Accessory suggestions will pop-up on the product page. This could be Aabharana fashion jewellery to go with your Saree, Yaapana Leggings to match your Kurti or Nakshatra Pattern blouses for your Silk Saree. This is quite similar to a chef's recommendation when you visit a restaurant!

Bid 4 Better: All our ready-to-ship products are going under the hammer... literally! You look at a product that is marked as 'Ready to Ship', you see the price, but you are not completely ok with it. If so, choose 'Email me better price' option (or still better, contact us with your offer price!). We will do the best possible deal for you!
